1. Collect your headphones and map from the Gallery. The walk is free but you will need to give personal information from the ID to the staff at the Gallery.
2. Passage Exit the Gallery and take the next passage to your right. Listen as close as possible to the door bells. Go back and enter Długa Str.
3. Długa Str: Listen to the various electrical noises at the beginning of the street. Try different positions and stop from time to time.
4. Exchange office Enter the office and approach your head closely to the rate board of the exchange rates. Continue the street walk.
5. Kasprzyska Str: Listen to the power boxes (marked with high voltage signs). There are many of them all over the city. Each one has a slightly different sound and intensity.
6. Chlebna Str: This street is full of "white noise". Discover the various internet zones.
7. Świętopełka Park Approach the elegant metal construction at the beginning of the park. Listen at the door.
8. 7b. Walk around the park and enjoy the (almost complete) electrical silence in some places. Then continue towards the market hall.
9. Dom Technika Go towards the building, put on your headphones again and switch them on. Pass the supermarket and stop at the corner behind it. Listen to the various power boxes as close as possible. Then cross the street.
10. Bank Street (Rajaska Str: Listen to all the ATMs (keep your head very close to the screen and turn it) and compare their qualities. Enter as well the PLAY shop and explore the various magnetic fields.
11. Madison Shopping Centre Enter and go along the shops to your right side. Discover various security gates from a safe distance at the entrances of Douglas, Vero Moda etc. Be careful, some of them are very loud. Do not pass a gate with headphones on.
- 11b. Continue until you reach the "Apfelka" with its special security system.
- 11c. Go towards the entrance you came from and listen to the new i-mac products. Then stop at the entrance of the jewelry shop in front (Y'S) and listen to the luminous advertisements. Get as close as you can to the screens. Leave the center and follow the map.
12. City Forum Shopping Centre Pass through the Forum and compare the sounds to the ones of Madisons. Then exit and take the staircase down to your left.
13. Empire Enjoy from a distance the world of books, but do not enter. Take the open passage to your left.
14. Sephora Stop at "Sephora". Switch off headphones and enter the shop. Go to the back, put your headphones on. Move slowly along the cosmetic showcases and enjoy the seducing sounds of perfumes, creams and lipsticks. Before leaving switch off the headphones again.
15. Kretetka Cinema City Game Zone Enter the foyer (with headphones switched on again) and explore the various games. Discover the sounds of the screens and light advertisements. Special fun: the blue speaker lights at the dance game. Go back to the underground tunnel which brings you to the train station.
16. Train ride Take any train that stops at Zabi Kruk. Do not forget your ticket. Look out of the window and bring back your headphones. Thank you.

enable a new experience of the city, one that uncovers Gdansk's hidden electromagnetic phenomena. Armed with a special headphone that amplifies the perceptibility of electrical currents and a map marked with local magnetic landmarks, visitors are offered an auditory adventure that shifts perception of everyday reality by giving substance to invisible wavelengths and charges.

Use of headphones is not harmful, but please be careful as certain sound sources, particularly security gates, can be extremely loud. Never walk through a security gate with headphones on.

Pay attention when crossing roads.

The route on the map is only a suggestion. Feel free to explore the city as you choose. Some of the sounds indicated on the map may not be present all of the time.

Walk slowly and sometimes stop and just turn your head around. Electromagnetic fields can vary within very short distances. Please turn your headphones off when not in use in order to save battery power and return them promptly after your walk. Treat them carefully, they are custom made.
